

HEROES AREN'T BORN... THEY VOLUNTEER!!!

DHV – Disaster Healthcare Volunteers of California

Thank you for volunteering in public health and disasters with the Medical Volunteer Program of Riverside County. You are also affiliated with the State of CA Disaster Healthcare Volunteers. Expectations to remain a member and activities are outlined below.

Expectations:

- Keep profile updated at <https://healthcarevolunteers.ca.gov>
- Respond to communication tests

Activities:

- Occasional informational emails
- Reminders to update profile
- Response required to communication tests via email, phone, and text messages
- Notifications of trainings open to the public

MRC – Medical Reserve Corps & PERT – Pharmacy Emergency Response Team

If you want to be more active in disaster exercises and public health work, and you want to deploy outside the county in an emergency join the Medical Reserve Corps (MRC). The MRC is a national program created after 9/11. The MRC does trainings related to special roles such as mass medication distribution (PERT), shelter nursing, and triage.

Steps:

- 1) Send resume EMDVolunteer@rivco.org
- 2) 100% completion of DHV profile [link](#)
- 3) FEMA Course IS 100, 200, & 700 [link](#)
- 4) Background check (no cost to you)
- 5) In-Person Orientation

Activities same as DHV above plus access to:

- Program Updates
- Disaster trainings
- Disaster exercises
- Public health activities
- Deploy voluntarily to other counties/states
